

Accepting/Rejecting Roles

1

Once you apply, you're added to the project's performer pool. The casting team can then invite you to a role on that project.

Invited

2

If you're selected for a role, you'll receive an official role offer by email and in your BW notifications.

Notifications

3

That offer will include the name of the project, the date of the booking, the role name, and any additional details pertaining to the booking.
