

Applying for Projects

1

When logging in, you should automatically land on the project page. If not, click “My Projects” on the left sidebar.

My Projects

2

Once you’re on the “My Projects” page, make sure you are on the “New Projects” tab

New Projects

My Applications

My Bookings

3

At the top of this page, you can filter by location so that you only see projects in your area.

Live

Filter

4

From there, you will see a list of projects that you qualify for. If you see one that you’re interested in click “apply” in the lower righthand corner.

Apply

5

Once you click “apply”, you will be prompted to select your available dates. Please only apply to the dates that you are fully available for.

Confirm Your Availability

Select your availability dates. The more availability you have, the higher chance of being cast

16 Dec, 2025

17 Dec, 2025

18 Dec, 2025
