

Navigating BW

1

Home

On this page, you'll find the latest news from BW, including Background Banter episodes, trailers, tips, news articles and more...

2

Projects

This page lists all the new projects you're eligible for. From here, you can apply for projects and submit your availability.

3

Applied

Here, you can view all the projects you've applied for and easily update your availability.

4

Accepted

After accepting an offer, the project will appear on this page, with the role and date clearly shown.

5

Profile

This is the page casting directors see, so please keep it updated. You can edit your photos, measurements, skills, and more at any time.

6

Notifications

All notifications about new projects, project invitations, role offers, and more will appear here.
